The Business School Bhaderwah Campus.

The Business School, Bhaderwah Campus is one of prestigious institutions in the Union Territory of Jammu and Kashmir with its focus on academics and research besides its core objective of holistic development of students. The Business School, Bhaderwah Campus was started in 2006 and is a sister concern of The Business School, University of Jammu. The name The Business School emerged with the inclusion of more courses like BBA and B.Com Hon's in 2015 where the department started flexing its muscles beyond Masters in Business Administration. Presently, The Business School is running undergraduate courses like BBA and B.Com Hon's besides Masters in Business Administration and Ph.D Programme.

Learning at TBS includes integrated approach of formal lectures, group discussions, presentations, simulation exercises, case study, project work, group assignments, management games, industrial visits and seminars. The continuous evaluation system throughout the semester gears up the learning skill with a better pace. To bridge the gap between theoretical concepts with the latest industry requirements, guest speakers from corporate and academia are involved on a regular basis.

Management Club called TEAM (Together Everybody Achieves More) is a forum run by the students of The Business School, Bhadarwah Campus, University Of Jammu. The functioning of the Management Club brings new energy in The Business School. It provides a platform to all, where the students can express and share their knowledge, experience and talent with one another. The various activities of the Management Club include group discussions, role play, debate competitions, mock Interviews, management games, business events etc.
